GRS offers special opportunities to patients who do not have insurance coverage for infertility services. For a limited time, patients may take advantage of a **free initial consultation** with one of our physicians, as well as a **special price on IVF** representing up to **60-70% savings**. At GRS, we believe that the current economic environment should not limit access for couples seeking solutions to their fertility problems. GRS is here to help those patients whose financial resources are limited by today's economic situation.

**GRS leads Atlanta as the “No Hidden Fees IVF” center.**

Carolyn Kaplan MD, Stephanie Singleton MD, Susan Conway MD, Cindy Sweitzer, Mark Perloe MD, Michael Tucker, PhD, Paula Morton

✓ Free Initial Consultation

✓ 2-Cycle Bundled Value for \$13,500

“Second IVF cycle at no cost. Price includes ICSI, assisted hatching, frozen embryo transfer cycles until pregnancy. Represents up to 60-70% in cost savings!

“To qualify, patient must have had no more than one unsuccessful IVF cycles.

“No insurance coverage. Is designed for self-pay with no financing.
